Your advantages

- ✓ Innovative solutions (e.g. for home office abroad)
- ✓ No time-consuming registration
- ✓ Worldwide insurance cover
- ✓ Co-insurance of spouses, civil partners and children
- ✓ No waiting periods
- ✓ Free choice of doctor or hospital
- ✓ All important benefits without maximum limits

Services abroad – digital and personal

Available to you around the clock

- 24/7 service available in 25 languages
- Consultation, medical network search, and support in emergencies provided by medical personnel

(00 49) 711/66 03-39 30 – the international emergency hotline for questions and emergencies

Before a repatriation or hospitalization abroad please call this number. Everything necessary will be organized in order to clarify the situation as quickly as possible.

Do you always have everything you need to know about your stay abroad with you? With our new Globalhealthplan app, you do.

NEW!

The following services are available:

- Emergency call function with detection of your location
- Push messages/alerts
- Video consultation with healthcare professionals and chat consultation directly from the app
- Search for doctors/service providers
- Country specific information on medicine and safety in the respective country of stay
- Forwarding to the possibility of online invoice submission directly from the app
- Document vault (self-administered)
- Deposit of personal data

Download app now free of charge:

We recommend downloading the Globalhealth-plan app from the Apple App Store or the Google Play Store right away. Simply scan the appropriate QR code and install the app. After successful installation, please click on "Continue with code". The code is the 4-digit number that you receive from your employer.

Important benefits at 100 %

Out-patient and in-patient benefits

- Medical treatments
- Transports in cases of emergency to the nearest qualified doctor or hospital
- Radiation diagnostics and therapy
- Medicaments, dressings and remedies
- Medical aids (due to accidents)
- Visual aids up to €325 (due to accidents)
- Other examination and treatment methods approved for the respective posting country
- Home nursing care
- Accommodation and care in the hospital
- Costs for accommodation of an accompanying person if this is medically required
- In-patient hospice care

Dental benefits

- Pain-relieving dental treatments up to € 750
- 80 % for dentures necessary due to accidents
- 80 % for orthodontic measures due to accidents

Additional services

- Medically necessary repatriation
- Blood unit transport
- Repatriations in case of death or burial abroad up to a maximum of € 15,000
- Return of children up to € 5,000
- Childcare benefit abroad of € 25 per day

Important remark

- For out-patient treatment you generally have to pay in advance. If compensation can be claimed under other insurance contracts in the event of an insured loss, these benefit obligations take precedence. If there are still open claims afterwards, these can be settled via the health insurance with Hallesche.
- In case of in-patient treatment, please contact immediately the international emergency number (00 49) 711/66 03-39 30. In these cases, a direct reimbursement will be coordinated with the hospital.
- Please note that the detailed tariff benefits as well as the general insurance conditions apply.
